

Arizona Association of Crime Analysts Meeting Minutes

May 16, 2001

Introductions:

New committee members gave brief statements and outlined some of their objectives for the new term.

Future Meetings:

20 June 2001 at the Mesa Police Department
18 July 2001 at the Peoria Police Department
15 August 2001 at the Tempe Police Substation – Hardy St.
26 September 2001 in Tucson (tentative)
17 October 2001 at ???
21 November 2001 in Phoenix
No meeting is scheduled for December
16 January 2001 in Scottsdale

Training Possibilities:

Several ideas for training were discussed. We will have updates at future meetings regarding the preferences of the group.

Criminal Intelligence: presented by Sweeney from AlphaGroup.
Psychological Profiling: presented by Phoebe Kelsoe from AlphaGroup.

Priorities for Upcoming Year:

Training opportunities
Listserv
Updating membership information and email list
Getting certification program off to a running start

Presentation:

Victoria Hansen, FBI and JDIG (Joint Drug Intelligence Group)

Covered personnel, mission statement, organization, goals, etc.

Introduced RAID program: Real time Analytical Intelligence Database
Vince Bloomer, Intelligence Analyst for JDIG

Discussed RAID in detail – several valley agencies are interested in looking into getting the free software.

Described the process by which a target package is assembled and distributed to any L.E. agency that is interested (outstanding example of data sharing)
