

The Arizona Association of Crime Analysts presents

“Techniques You Can Take Home”

A *free** training class by Crime Analysis expert and current IACA President, Christopher Bruce. Class includes tips and tricks for basic, intermediate and advanced crime analysts.

Monday, September 15, 2008
Gilbert Police Department, Amphitheater
75 E. Civic Center Dr.

8:30 – 9:00 AM	Registration and Refreshments
9:00 – 11:30 AM	Class
11:30 AM – 1:00 PM	LUNCH on your own
1:00 – 3:30 PM	Class
3:30 – 3:45 PM	Wrap-up

This class includes a buffet of analysis tips and tricks drawn from the latest tools, ideas, and technologies. Christopher Bruce’s fourteen years as an award-winning crime analyst will help you develop the expertise your agency needs! Class topics include:

- Cultivating background knowledge to help you understand your jurisdiction and its criminals.
- Temporal analysis and forecasting to study and predict dates and times.
- Statistical tricks and methods to get the most out of your data.
- Dissemination strategies and ways to improve your message.
- Technology solutions.

The class uses a combination of lectures, exercises and handouts. Analysts will leave with a long list of action items they can implement easily when they return to the office.
